

make ten *(make-ten)*

Definition

v. phr. A teaching strategy used in elementary mathematics to help students learn addition by grouping numbers to make a sum of ten, which simplifies calculations.

Example Sentence

The teacher encouraged students to use the '**make ten**' strategy to solve the addition problem more easily.

More Example Sentences

By using the '**make ten**' method, the students quickly added numbers in their math exercises.

Synonyms

compose ten; ten grouping; add ten

Antonyms

subtract ten; break apart; decompose
